

Committee on Technical Barriers to Trade

MINUTES OF THE MEETING HELD ON 20 JUNE 1997

Corrigendum

The following corrections should be made to G/TBT/M/8:

Page 8, paragraph 38 The third sentence should read:

"With respect to the evaluation of the notifications, she thought that it should be based on those requirements contained in the Committee's Decision (G/TBT/1/Rev.4)".

Page 10, paragraph 48 The second sentence should read:

"... if Members would indicate to the Committee if any local government bodies in their territories were authorized to adopt regulatory provisions".

Page 13, Paragraph 68 The second sentence should read:

"... and said that in order to ensure harmonization as far as essential requirements are concerned, the European Community did not base itself on national equivalence, but rather sought to develop harmonized standards replacing national diverging standards".

Page 15, paragraph 76 The fifth sentence should read:

"... her delegation proposed to examine if it is possible to introduce provisions for monitoring procedures ..."

Page 25, paragraph 131 The second sentence should read:

"She said that the examination of this question should continue, in particular ..."

Page 28, paragraph 155 The sixth sentence should read:

"... on the precautionary principle that was considered as being the only means possible to eliminate ..."

Page 29, paragraph 158 The sentence should read:

"... on, respectively, Regulation EC 258/97 adopted in January 1997 and the draft regulation concerning the labelling ..."

Page 29, paragraph 159 The second sentence should read:

"The bill related to the Tobacco Products' Control Act adopted in 1995".
